Re: Chambliss for Senate April Quarterly Report (1/01/07 – 3/31/07)

Dear Mr. Hilland:

This letter is in response to your letter of June 21, 2007 regarding the April Quarterly Chambliss for Senate FEC report. In this letter we are asked to include additional information regarding two items.

The first item was thought to be a discrepancy in the aggregate totals for BLUE PAC and TENNPAC. After you looked into the matter, you found the original contributions, and saw that we were correct in our totals. Thus, the first item was correct in our April Quarterly report so an amendment is not necessary.

The second item referred to Schedule B of our report in reference to credit card disbursements. We have corrected the problem that was generated from our software. Enclosed you will find the Platinum Plus for Business record in the amount of \$12762.50. In addition, the memo entries of the vendor, amount, date, and purpose of expenditure are also itemized.

Chambliss for Senate has reported all contributions in good faith and by the laws set forth by the FEC. Thank you for your attention in this matter and please call me if you have additional questions regarding this filing.

Sincerely,

Allison Farman
